One better is the attached; it's a snapshot of the live version. I've added a yellow column to fill out.

Thanks Bob. Can you take a screenshot of the actual spreadsheet so we can see all of the columns/fields that are included?

Anna, Lee:

Macara said you wanted a spreadsheet to fill in IO leads for the OW action list. That actual spreadsheet is on so-call OneDrive and is sharable, but is locked out this morning since some of the program offices are actively filling it in.

If you can, that attached lists the OW actions with a column you two can fill in whom is the IO lead.   I can later transfer that to the OneDrive version.   Let me know if you have questions.

Thanks. bob
